Oven Light

Cool-to-Touch with low-E Glass

The low-E glass retains heat for efficient cooking while keeping the oven door cooler to the touch for added safety.
(for RO-EA208X-EG)

Intuitive Touch & Knob Controls

Enjoy effortless control with responsive sensor touch or smooth, easy-to-use knobs.
(RO-EA208X-EG : Touch & Knob / RO-EA206M-EG : Knob)

Super Large Cavity - 81L

The spacious 81L cavity gives you more room to cook with ease. Prepare larger dishes or multiple trays at once for effortless family cooking.

Removeable Door

The oven door can be easily removed for convenient access to the glass and interior. Enjoy effortless cleaning and a spotless oven with ease.
