Catalytic Liners

Self-cleaning panels are coated in a special, micro-porous catalytic enamel which oxidizes and gradually vaporizes splashes of grease and oil at cooking temperature above 200°C. (For RBO-7MSO)

Easy To Clean

Quickly and easily removable glass door panels are designed for easy cleaning. Oven doors are heat-proof with double layer.

Excellent Cooking Results

Ultra Fan Plus is designed to give faster heating up. Quick and best cooking results are achieved together with a variety of cooking functions. (For RBO-7MRX and RBO-7MSO)
